Projects

Side Programming Projects *Python, C/C++, HTML & CSS* https://github.com/maximiliantiao/
During my first year of university, I decided to self teach several programming languages as a way to spark my newfound love of computers and technology.

Allerio Website *HTML5, CSS, JavaScript* https://github.com/maximiliantiao/Allerio
During my internship at Allerio, I was tasked to design and create a website that would promote the company's products and inform the general public about food news and warnings.

WikiTrust 2.0 UI/UX *JavaScript* https://github.com/maximiliantiao/WikiTrust-Bookmarklet
While working on UI/UX for WikiTrust, I created a simple bookmarklet that would inject tooltips in Wikipedia articles.
